I'll make

Thank you
for buying
"The Reason
His Earlobes
Redden."

Hello,
everyone. I'm
Kunieda.

I mean,
even I forgot
a whole
bunch of
stuff.

Wait
what was
the main
character's
name?

Can you
even re-
member it?

You
can't read
a book.

OH,
GOSH,
I'VE BEEN
A LITTLE
BUSY.
Too much
work, too
much fun.

It took a
long time
for this series
of magazine
publications to
become a book.

Four
years
ago...

I came up
with the idea
for drawing
this series
in 2005...

I was
aiming for
"Typical
BL" in this
work!

Oh, that's
right I
remember!

The afterword
has five pages
this time, so
I've got to fill
them up with
silly stuff.

My memory
is fading,
but I'll force
myself to
remember...

Reiji narrates the main character of the novel. Doctor-kei

In other words, these
are the kind of things
I like, but they aren't
the kind of things most
people like. I thought I
should draw something
that's more acceptable to
the majority of people.

It
seems
like...

- * Uke is seduced by someone older
- * Someone young grows old
- * One of the guys is ugly (or old)
- * Someone dies
- * Unhappy endings

Up
to them,
the stories
rd drawn
for Reiji.
were...

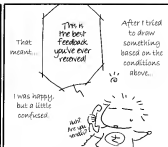

I think 'a good-
looking seme' is
the most impor-
tant thing. This
is true for girl's
couples as well.

- * A good-looking seme
- * A cute uke
- * The seme is crazy in love with the uke
- * Of course, nobody dies
- * A happy ending

In my
mind,
"Typical
BL" is...

Afterward

I'm worried
about the
feedback.
Even now...

While I was
drawing this series,
it seemed like
Yamaguchi-kun
underwent a meta-
morphosis. (I had
that feeling from
the beginning...)

*This is according to the artist's notebook, which I found in his room. I don't know if it's true.

Yamaguchi-kun
was so caught up
in chasing his
dreams that he
never noticed
Ishikawa-kun's
feelings.

In that comic,
Ishikawa-kun's
love was com-
pletely one-
sided.

Afterword

I didn't have any material so, driven by desperation, I made up the title, then, driven by desperation, I made up the story.

Oops, I almost forgot. "The Summer Cat Turns Its Back" is in this compilation, too.

A tail appears, but I completely forgot to add cat ears! What a stupid mistake!

My biggest regret in this work is the scene where the main character is dreaming and the cat turns into a human being.

well, I've filled up 5 pages, writing about stupid stuff!

See you later!

Can I just add the features in together by combining it with hair?

A little like Summer Cat, no?

But, what's the right way to attach cat ears?

Is there a right way to add cat ears in the first place...?

Is that the cat ears here?

Yamaguchi is a womanizer, in fact, he was probably born that way. In the one year that Ishikawa has known him, he has gone out with twelve girls. Some people admire him, while others find him irritating. Ishikawa is clearly in the latter group. *So why do Ishikawa and Yamaguchi have anything to do with each other?*

This popular series, depicting the love between a cool hunk and dumb cutie-pie whose lack of honesty continually leads to conflict, is now available in one complete volume.
